

Voluntary Student Accident Insurance Program

Your school has purchased Student Accident Insurance that covers supervised and sponsored school activities.

This brochure provides you with the opportunity to extend the accident insurance coverage purchased by your school, as explained below.

Optional 24-hour accident coverage

Under your school's Student Accident Insurance, coverage is provided for covered injuries incurred during the hours and days when school is in session and while attending or participating in school sponsored and supervised activities on or off school premises. This optional 24-hour accident coverage extends coverage to enrolled students during the weekends and vacation periods, including the entire summer. Students are protected while at home or away, any place, anytime, anywhere in the United States, Canada or Mexico. No coverage is provided while participating in 1) interscholastic sports or 2) school sponsored and supervised activities that are already covered under the Student Accident Insurance program purchased by the school.

The cost for this additional coverage is \$

against medical and dental injuries, whether at home or on summer break. With our Voluntary Student Accident Insurance coverage, we help make it possible for schools to fulfill their commitment to the health and well-being of their students.

Coverage period

Coverage under the optional 24-hour accident coverage starts on the date of premium receipt but not before the start of the school year. If the student remains enrolled in school, the optional 24-hour accident coverage ends when school reopens for the following school year. Coverage is available throughout the school year at the premium included on the enrollment form.
